Defendants having requested by letter dated February 13, 2008 an order requiring plaintiffs in all RNC cases to identify those non-party witnesses they expect to call at trial, it is hereby ORDERED as follows:

- 1. By March 31, 2008, counsel for all parties shall identify all non-party fact witnesses that they reasonably expect to testify at trial on behalf of their respective clients.
- Absent exceptional circumstances, depositions of fact witnesses are concluded in all RNC cases, consistent with the case management orders. While some of the case management orders were extended de facto by the master deposition scheduling order, there was no basis for assuming that they had been abandoned altogether.

Re: MacNamara et al. V. City of New York, et al., 04 CV 9216 (KMK)

Your Honor,

Our law office has unexpectedly lost our lease and as a consequence, we are requesting a three-month delay in the previously negotiated and ordered Case Management Order (CMO) in the above-captioned case. I have contacted counsel for the defendants and we have agreed upon the following modifications in the CMO and are jointly requesting that the Court enter an Order, in accordance therewith.

We have agreed that, with the Court's permission, all dates set forth in the CMO (beginning with Paragraph 8) shall be postponed three months, with the following conditions and exceptions:

- 1. Plaintiffs' responses to the City's interrogatories and document requsets, served on May 20, 2005, along with all executed releases, shall be served upon the City on a rolling basis, but no later that July 18, 2005;
- 2. The depositions of the named plaintiffs, noticed by the defendants on June 15, 2005 are adjourned until the pertinent records are produced and the parties set of these depositions shall be completed before plaintiffs serve their motion for class certification;
- 3. All of the provisions of the current CMO remain in place except those deadlines

affected by this agreement and Order,

- Plaintiffs shall file their Amended Complaint by July 15, 2005, and defendants' response shall be due by August 22, 2005;
- In the event that any witnesses whom the plaintiffs' seek to depose in this case, aside from arresting officers, are first noticed in another RNC case, plaintiffs will participate in that deposition rather than depose the witness separately.

The parties have also agreed that two of the plaintiffs, Julia Cohen and Chris Kornicke, will be dismissed without prejudice, as they have obtained new counsel. We will prepare a stipulation and Order. We thank the Court for its patience and cooperation.

Sincerely,

William Goodman

Dear Judge Francis:

cc:

I write to respectfully request, jointly with counsel for defendants, an additional extension of months on all remaining deadlines pursuant to the Case Management Orders in the abovecaptioned RNC cases. Pursuant to Your Honor's Discovery Order #2 of November 13, 2006, the parties are in the process of setting up dates for the depositions of twenty-seven "Arresting Officers" over the course of the next several months in the above-captioned cases. In addition to these, a significant number of Commanding Officer depositions, and depositions of officials of the Hudson River Park Trust, will need to be scheduled in the above-captioned cases, in conjunction with the resolution of other discovery issues associated therewith.

This is the parties' third joint request for an extension of the Case Management Orders in the above-captioned cases.

Respectfully submitted,

Re: <u>Drescher v. City of New York et al</u>, 05 CV 7541 (KMK) (JCF)

Dear Judge Francis:

On behalf of plaintiff and defendants, I write to request a modification of the Case Management Order (CMO) in the above-captioned case, which currently provides for a fact-discovery cut-off date of March 1, 2007. Both sides are exchanging written discovery, but need additional time for fact discovery. Accordingly, plaintiff and defendants jointly request that the Court grant an extension to the CMO deadlines such that fact discovery would be completed by July 1, and the remaining CMO deadlines extended by months. In addition, plaintiff had been pro se, but only recently retained an attorney. If this meets with your approval, would you please "so order" it?

Thank you for your time and consideration.

specifically. That's my point.

Q. I understand. Let's be clear about that. I understand you may not remember the particulars as to the when or the where, or even the who was there.

But is it correct that as you sit here today, you do recall participating in a meeting where at least Commissioner Kelly was present where this particular decision was made?

A. Correct.

Q. What was the reason for the department deciding to have a no summons policy during the convention?

MR. FARRELL: Objection. He went through all these factors in this morning's testimony.

MR. DUNN: He identified a bunch of factors that might be circumstances under which such a decision might be made for a particular event. It wasn't particular to the convention.

MR. FARRELL: He spent a considerable amount of time testifying

E. Esposito

We knew from intelligence sources that a lot of people with past criminal history would come in and attempt violent acts. There was a threat of terrorism, that intel was telling us this would be a good venue for a terrorist attack.

Page 184

Page 185

We want to stop the criminal activity from continuing. A C summons is not the best way to do that many times. I think that's all. I may have missed one or two.

- Q. Okay. Were these considerations that were discussed at this meeting where the decision was made?
- A. Yes. The best possible prosecution was taken into consideration. You need a proper identification to go forward with a prosecution. Especially if a lot of these people were coming in from out of the City.
- Q. I take it that the issue of giving summonses to people who were from out of the City or out of state is an issue that the police department deals with every day?
 - A. That's correct,

Page 183

E. Esposito about those factors. You can ask him if any of those factors weren't applicable.

You asked him quite a lengthy series of questions about the reasons why a no summons policy was utilized.

MR. DUNN: No, it was not a question about the convention. It was a question about the general policy.

Q. Chief Esposito, why was a no summons policy adopted for the convention?

MR. FARRELL: I'm going to object and I'm going to put a note on the record that he's previously testified about the reasons why.

A. Okay. There is a number of reasons why. Information about -- from intelligence, open sources that people were going to come to the City during the RNC for the purpose of shutting down the City, shutting down the RNC, committing criminal acts. They were going to come with false IDs, with no IDs. A lot of people from out of state would come in.

E. Esposito

Q. Is it fair to say that the department's standard summons policies and procedures specifically take into account considerations about people being from out of the City or out of the state?

MR. FARRELL: Objection.

A. I'm sorry? (Question read.)

A. Yes.

Q. Did you and Commissioner Kelly and perhaps First Deputy Commissioner Grosso give any consideration to applying this policy to particular events, as opposed to the entire RNC?

MR. FARRELL: Objection.

A. Every incident is separate from the other. An incident commander could have made any recommendation he or she wanted. An incident commander on the scene of an incident could have made a recommendation. But we have to rely on our incident commanders for the best course of action.

Q. I understand that. But this is a decision that was not made by an incident

A. Well, it really is the same policy for both, we are not going to allow it. Now, an investigation may be done by an outside agency. not us, depending on who the complaint is made to. Civilian Complaint Review Board may do it, the DA's office may do it, it depends on the allegation and how it's taken and the severity of it.

- Q. So you're saying that if the complaint is made to the Civilian Complaint Review Board, they would conduct the investigation?
- They get sent to that area. They refer it back to us because it's criminal, they may refer it to the DA's office.
- Q. Might it also be investigated by the Internal Affairs Bureau?
 - Sure. Α.
- Q. Can you tell me where that policy is found, is it written down somewhere?
- A. Regarding with prisoners or within the agency?
- Q. Well, let's start with within the agency?

Ritchie, I'm counsel for Plaintiff Caitlin Tikkun in Civil Action 059901. I have some guestions for you primarily about NYPD policy and practice.

- Q. It's my understanding that you testified earlier in this deposition that sexual harassment by members of the New York City Police Department would not be tolerated; is that correct?
 - Correct. Α.
- As chief of department, are you aware of any specific NYPD policy concerning sexual harassment?

MR. FARRELL: Objection to the extent it's been asked and answered previously.

- A. We have a policy, and basically it's not going to be tolerated and we will investigate any allegations and take appropriate disciplinary action if necessary.
- Q. Are you talking about sexual harassment between NYPD employees or does this policy cover interactions between NYPD officers and members of the public?

J. Esposito

- Within the agency, the statements by the Office of Equal Employment, they're the ones who oversee this policy. And as far as with regards to prisoners, it would be in the patrol quide how to treat prisoners.
- Can you give me a precise reference to a section of the patrol guide?
 - A. No, I don't have it.
- Do you know if there is a section that deals specifically with sexual harassment? MR. FARRELL: Objection.
- I'm not sure if it mentions that per se.
 - Q. So what section are you thinking of?
- A. With regards to how to treat prisoners.
- Q. It's your understanding of the section that deals with how to treat prisoners specifically refers to sexual harassment?

MR. FARRELL: Objection.

- A. I don't know if it does.
- What about members of the public who are not prisoners?

MR. FARRELL: Objection.

MICHAEL A. CARDOZO

Corporation Counsel

The Honorable Richard J. Sullivan United States District Judge Daniel Patrick Moynihan United States Courthouse 500 Pearl Street New York, New York 10007-1312

Re: Consolidated RNC Cases

Dear Judge Sullivan:

On January 23, 2008, Magistrate Judge Francis issued an opinion and order granting in part and denying in part the motions of plaintiffs in approximately 37 RNC actions to amend their complaints to add various claims and defendants (the "Order"). As Your Honor may recall, plaintiffs' motions to amend were filed nearly three years after the incidents giving rise to these claims, on the eve of expiry of the federal statute of limitations and after nearly three years of consolidated discovery in the RNC cases.

In the Order, the Magistrate Judge has permitted plaintiffs to add as a defendant Deputy Commissioner of Intelligence David Cohen although we believe that plaintiffs have not properly pled any cause of action against him. Due to the importance of this issue, and other potential grounds for appeal that we are reviewing, defendants will appeal the Order for Your Honor's review.

In light of the burdens under which defendants are laboring in these numerous actions, which includes ongoing party and nonparty discovery as well as heavy briefing schedules before both Your Honor and Magistrate Francis on various issues, the parties have conferred on a briefing schedule. Plaintiffs' counsel, Jeffrey Rothman, has consented to the schedule proposed below; in several conversations, the Beldock firm, through Ms. Norins, has expressed no objection but has not yet provided a final answer; Ms. Weber consents on the

condition that she be permitted an extra week to submit her opposition to the appeal; other plaintiffs' counsel who have moved to amend have not responded to our email inquiries.

Based on these discussions, the parties propose the following schedule: defendants appeal shall be due on February 25, 2008; plaintiffs' opposition shall be due on March 17, 2008; and defendants' reply shall be due on March 31, 2008. The parties respectfully request that the Court "so order" it.

Respectfully submitted,

James Mirro

Hi Jim & Raju:

Counsel in MacNamara consents to the proposed briefing schedule with the understanding that defendants will not be appealing the addition of the as-applied constitutional challenges to the Parading Without a Permit and Disorderly Conduct statutes.

Thanks, Clare
